

# TDD com Ruby on Rails, RSpec e Capybara

Jackson Pires

The background is a solid green color with a pattern of various geometric shapes in a lighter shade of green. These shapes include squares, circles, and crosses, some of which are rotated or tilted. The shapes are scattered across the entire background, creating a textured effect.

# Fluxo TDD

The background is a solid green color. It is decorated with various white geometric shapes scattered across the surface. These shapes include squares, some of which are rotated 45 degrees to appear as diamonds, circles, and plus signs. The shapes vary in size and are distributed in a non-uniform, random pattern.

# Fluxo TDD

The background is a solid green color. It is decorated with a repeating pattern of light green geometric shapes, including squares, circles, and crosses, some of which are slightly rotated or offset from the grid.

Devo usar TDD  
sempre?
