Aula 083

Wiselinks

Problemática

pushState()

[https://developer.mozilla.org/en-US/docs/Web/
API/History_API](https://developer.mozilla.org/en-US/docs/Web/API/History_API)

History.js

<https://rails-assets.org/#/components/history.js>

Wiselinks

<https://github.com/igor-alexandrov/wiselinks>

WiseLinks

```
gem 'wiselinks'
```

application.js

```
// = require wiselinks
```

```
$(function() {  
  window.wiselinks = new Wiselinks();  
});
```

Como usar?

```
data-push = 'true'
```
