

TDD com Ruby on Rails, RSpec e Capybara

Jackson Pires

The background is a solid green color. It is decorated with various light green geometric shapes scattered across the surface. These shapes include squares, some of which are rotated 45 degrees to appear as diamonds, circles, and plus signs. The shapes vary in size and are distributed in a non-uniform, random pattern.

Pra que testar
software?

Pra que testar software?

- × Garantir a qualidade do software
- × Segurança e facilidade na manutenção
- × Melhor design de software
- × Documentação técnica
